

**REPORT/ RECOMMENDATION TO THE BOARD OF COMMISSIONERS OF
ARAPAHOE COUNTY PUBLIC AIRPORT AUTHORITY AND
RECORD OF ACTION**

March 10, 2022

FROM: Mike Fronapfel, Executive Director/CEO

SUBJECT: Legislative Report

RECOMMENDATION: Advisory Only

BACKGROUND: The President has signed into law the FY22 Omnibus spending bill to fund the Federal Government through September 30, 2022.

On March 28th Centennial Airport submitted an application for Bipartisan Infrastructure Law (BIL) funds to relocate and construct a new Air Traffic Control Tower (ATCT). We estimate the total cost of a new ATCT to be as much as \$36 million with ~\$2 million of that as matching airport funds. It is still not clear how much money will be made available for the airport-owned FAA towers however, at a minimum we hope be able to get a grant to do a sighting survey and to complete the design and engineering for the new ATCT.

The Transportation Security Administration (TSA) officially extended the transportation mask mandate to April 18, 2022.
