

**REPORT/ RECOMMENDATION TO THE BOARD OF COMMISSIONERS OF
ARAPAHOE COUNTY PUBLIC AIRPORT AUTHORITY AND
August 12, 2021**

FROM: Robert Oislagers, CEO

SUBJECT: Legislative Update

RECOMMENDATION: Information Only

BACKGROUND: After weeks of negotiations, a bipartisan group of Senators released the final legislative text of a \$1.2 trillion infrastructure package that includes \$550 billion in new spending and \$25 billion for aviation. The breakthrough will allow the Senate to begin debating amendments and proceed to a vote on final passage "in a matter of days." However, as of this writing little progress has been made on those amendments. \$2.5 Billion would be allocated to non-hub and general aviation airport, or \$500 Million annually over the 5-year authorization.

FINANCIAL DATA: Funding priorities will become clearer once the bill is passed.
