

**REPORT/ RECOMMENDATION TO THE BOARD OF COMMISSIONERS OF
ARAPAHOE COUNTY PUBLIC AIRPORT AUTHORITY AND
RECORD OF ACTION**

June 17, 2021

FROM: Robert Olislagers, CEO

SUBJECT: Legislative Report

RECOMMENDATION: Information Only

BACKGROUND: The Administration and the Senate continue to negotiate an infrastructure bill with the White House scaling back to \$1.7 Trillion and the Republicans coming back with a \$928 Billion package over 8 years. In addition, the Administration also unveiled its 2022 proposed budget of \$6 Trillion, which pretty much has no chance of passing. The usual \$3.35 Billion for airports is included; a number that has not changed for nearly two decades.

While the House would like to see the transportation bill passed by the Fourth of July, partisan politics remain the action of the day including doing away with the filibuster and going to a simple majority vote. This is seen as a "nuclear option" and it does not appear that it has a chance of passing or improve relations.
