

**REPORT/ RECOMMENDATION TO THE BOARD OF COMMISSIONERS OF  
ARAPAHOE COUNTY PUBLIC AIRPORT AUTHORITY AND  
RECORD OF ACTION**

**June 16, 2022**

---

---

**FROM:** Mike Fronapfel, Executive Director/CEO

**SUBJECT:** Isbill Road Easement

**RECOMMENDATION:** Motion to approve the Isbill Road Easement and authorize Chair and Clerk to sign pending Arapahoe County counsels review and approval of the revised language.

**BACKGROUND:** SunBorne Development constructed Isbill Road to Arapahoe County specifications and would like to have the road dedicated to the County. This easement has been held up between the County and Airport Authority due to a disagreement on language that states the County *may* charge the airport for maintenance and snow removal on this road. The FAA does open up the possibility of the County charging for services in the future provided they have been approved by both the FAA and the Airport Board. Airport counsel recommended some minor adjustments to the language and is currently under review by the County Attorney's office.

**FINANCIAL DATA:** TBD and dependent of FAA and Airport Board approval.

**REVIEW BY OTHERS:** L. Hinton, L. Skaflen, L. Wiarda

**PRESENTERS:** Luke Skaflen
