

**REPORT/ RECOMMENDATION TO THE BOARD OF COMMISSIONERS OF  
ARAPAHOE COUNTY PUBLIC AIRPORT AUTHORITY AND  
RECORD OF ACTION**

**March 11, 2021**

**FROM:** Brian Lewis, Director of Operations

**SUBJECT:** Award of Contract to Motorola Solutions for the purchase of 800mhz radios.

**RECOMMENDATION:** Motion to Award the Contract to Motorola Radio Solutions in the amount of \$51,637.15 and authorize the Director of Operations to sign the necessary documents.

**BACKGROUND:** 800mhz radios are used for emergency communication between airport Operations, ATC, South Metro Fire and Rescue, Arapahoe County Sheriff's Office, and Douglas County Sheriff's Office. They are also used for non-emergency communications between airport staff. In 2020, the Arapahoe and Douglas County Sheriff's Offices began using encrypted radio channels. The airport's current radios are not encryption capable, meaning that staff cannot communicate with either Sheriff's Office during an emergency.

This contract includes the procurement of 5 handheld radios and 5 vehicle radios to be installed in the airport's vehicles by airport's maintenance staff. It also includes related required software, programming and accessories.

The radios are being purchased through the State Bid Program, contract# NASPO - 19860.

**FINANCIAL DATA:** The funds for this project are included in the 2021 budget. The total cost will be \$51,637.15 and is under the budgeted amount.
