

**REPORT/RECOMMENDATION TO THE BOARD OF COMMISSIONERS OF
ARAPAHOE COUNTY PUBLIC AIRPORT AUTHORITY AND
RECORD OF ACTION**

September 9, 2021

FROM: Mike Fronapfel, Director of Planning & Development

SUBJECT: Legislative Update

RECOMMENDATION: Advisory

BACKGROUND: The House of Representatives briefly returned from its summer recess to settle on the timing of the \$3.5 Trillion Budget Reconciliation Bill, while also addressing the vote on the Senate-passed bi-partisan Infrastructure Bill. The Speaker of the House initially linked the votes for passage of both bills to occur simultaneously but was forced into a compromise after moderates in her own party wanted a vote immediately on the Infrastructure Bill.

A firm date of September 27th has been set for a vote if not sooner, while the reconciliation process is set to be completed by September 15th. However, numerous obstacles remain with 2 Democrats opposing the massive \$3.5 trillion reconciliation; a pending vote on the budget ceiling, as well as the size of the bill itself to be written in a short 2-week window, could derail the self-imposed deadline, possibly seeing only the Infrastructure Bill going to the President for signature.
