

**REPORT/ RECOMMENDATION TO THE BOARD OF COMMISSIONERS OF
ARAPAHOE COUNTY PUBLIC AIRPORT AUTHORITY AND
RECORD OF ACTION**

February 13, 2020

FROM: Robert Olislagers, CEO

SUBJECT: Legislative Report

RECOMMENDATION: Information Only

BACKGROUND: With the President having signed the 2020 Appropriations Bill into law, Washington turned its eyes to the Senate Impeachment Hearings of President Donald J. Trump, only the third president in the history of the US to have Articles of Impeachment sent to the Senate. The Senate rejected to hear witnesses this week on mostly partisan votes and is similarly expected to reject the Articles of Impeachment.

Despite the partisan back and forth, the House unveiled an Infrastructure Bill calling for increased infrastructure spending. Transportation usually has broad bipartisan support; however, the rancorous discourse between the Rs and the Ds has made it almost impossible to reach compromise on even the smallest issues, with the impeachment adding additional acrimony. Nevertheless, bills and action were generated regarding the PFAS "forever" chemicals in Aircraft Fire Fighting Foam; the coronavirus; service dogs; Passenger Facility Charges; and, REAL ID driver's licenses which must be complied with by October of 2020. The drivers license should have a "star" in the upper right-hand corner.

The Senate, as previously stated, will likely reject most House infrastructure proposals until after the 2020 Presidential Elections, which is the next big elephant in the room.
