

REQUEST FOR QUALIFICATIONS

The Arapahoe County Public Airport Authority (ACPAA) is soliciting Statement of Qualifications and Experience from qualified airport engineers to perform engineering services for federally funded capital projects at Centennial Airport, 7565 S. Peoria St. Unit D9, Englewood, Colorado, 80112. Initial contract period is two years, with the possibility of one-year extensions at the discretion of the Authority, not exceeding five years total.

Proposed construction projects include but are not limited to: rehabilitation or reconstruction of runways, taxiways and ramp areas, purchasing airport equipment, and construction of taxiways and fencing.

Selection will be based on factors including quality of previous airport related projects, reputation, background, degree of interest shown and experience with airports similar to Centennial Airport. ACPAA reserves the right to select the consultant deemed to be in the best interest of the Authority.

For a complete copy of the RFQ, contact Ms. Lauren Wiarda, Director of Planning and Development at 303-790-0598 or at lwiarda@centennialairport.com. Submittal deadline is 4:00 p.m. MDT, August 18, 2022.
